Woman on the American Frontier
by William Worthington Fowler

Total running time 14:34:25

Read by Bridget Gaige

Many books describe the role of men during American history. However, at the same time, women did much: comforted, fought, helped, raised children, and much more. This book is full of mini-biographies of women in many places, and many ages, each chapter telling about a different subject. (Summary by Stav Nisser)

Illustration from the 1878 edition. CD cover design by LA Walden.
